

Kirwan Design and Landscaping, LLC

Landscape Crew Manager - A fun work environment with a growing company.

We are a growing Design/Build company based in Wagner, SD, that was established in 2014.

The Company: Kirwan Design, LLC, is growing and we are adding a construction foreman to help tackle the demand for our products and services.

- We use the best industry equipment to maximize efficiency and minimize physical strain.
- We strive to provide the best experience for our clients, as well as providing a landscaping design that is unique to each site and customer preference.

The Position: We're looking for a landscape construction manager. The pay range we're offering is \$18-\$25 per hour based on experience and qualifications.

- Performance-based bonuses
- Education reimbursement
- Paid holidays
- Non-Seasonal-Full-Time position

Requirements:

- Experience or education in the landscape or construction industry
- A solid work ethic and dedication to your job.
- Valid driver's license
- Must be able to lift 80 pounds
- Has the leadership capability and demeanor to effectively manage and direct a crew

Responsibilities:

- Overseeing the construction and installation of designs
- Interacting with clients and answering questions and concerns
- Monitoring and training workers and maintaining a high level of morale
- Supervising the use of large and small equipment and ensuring that staff observe safety guidelines
- Completing various administrative duties
- Able to read landscape plans and drawings

The Location: Kirwan Design, LLC is based in Wagner, SD. This is a great place to live with great schools for children. Wagner is also only 15 miles from the Missouri River with great hunting and fishing opportunities.

Why Should You Apply?

- Competitive wages
- Room for growth and leadership opportunities
- Work on a variety of projects
- Reasonable hours - overtime available
- Offer on-the-job training
